March 20, 2020

The health and safety of IBEW Local 701 members, staff and your families are our number 1 priority. With the increase in COVID-19 cases in DuPage County and throughout Illinois we will implement temporary precautions from March 23 through April 3, 2020.

All JATC classes will be suspended, including any JW continuing education, safety and inspectors' classes

The building will be closed, only staff will be allowed to enter. It is highly recommended that IBEW Local 701 members conduct business by email or phone.

All offices will be in full operation. If you absolutely must come to the hall, call ahead and make an appointment. Staff will work with members on an individual basis.

We will continue to monitor the COVID-19 situation and send out updates by text, website and social media

We will allow any out of work traveling brothers and sisters the ability to sign the out of work books with a fax from their home Local. We need the name, address, telephone number, email address, classification, card number and a copy of a current dues receipt. We will put the member on the appropriate book. We will then email the member their placement number on the book.

Local 701 members can use email or contact hall for an individual appointment.
